West leads the ten of spades. East wins the spade ace and returns the spade five. Plan the play.
To make the four diamond tricks he needs, declarer should gather information about the East-West hands while retaining an entry to dummy to allow for the possibility of double finessing in diamonds against East. No extra entry is needed if declarer decides to play West for four diamonds. Since dummy's only non-diamond entry is the club king, declarer should arrange for the last five cards in the North-South hands to be four diamonds and a club, with dummy's club the king.

THE WEST HAND
♠ 10 9 8 4 3 ❤ 10 9 7 4 3 ♦ 4 ♣ 10 2

THE EAST HAND
♠ A 5 ❤ 6 2 ♦ J 9 7 6 ♣ J 9 5 4 3

If nothing exciting happens when declarer cashes his off-suit tricks, there will be no reason to depart from the usual play in diamonds, cashing the king and queen first. However, as the cards lie East discards on the third round of each major, marking West with five-five in those suits. When West follows suit twice in clubs, that defender is marked with at most one diamond. Therefore, declarer should lead to the diamond ace and continue the suit, planning to finesse. If East splits his jack-nine, declarer can return to the club king to take another diamond finesse.

• YOUR WEEK AHEAD

ARIES (MAR 21 - APR 20): Don't expect much cooperation from others today. This is why you might feel cut off from others or a bit lonely. This is temporary. This Week: Be free to be your creative self.

TAURUS (APR 21 - MAY 21): If you're working today or dealing with health issues or your pet, you might encounter obstacles. If this is the case, this is par for the course today. Don't make a big deal about things. This Week: Call the shots with home and family.

GEMINI (MAY 22 - JUNE 21): This is a tough day for social situations, especially romantic outings, sports events or dealing with your kids. Your best bet is to go along to get along and make as few waves as possible. This Week: Speak up.

CANCER (JUNE 22 - JULY 23): Your confidence might be low today because you feel overwhelmed by authority figures in your family. Fortunately, the Moon is in your sign giving you a slight advantage. Furthermore, social outings please you. This Week: Take charge of your financial world.

LEO (JULY 24 - AUG 23): It might seem that whatever you try to do today seems to be met with obstacles or objections from someone. Keep your wits about you and pay attention when driving, walking or talking to others. This Week: Have the courage to be who you really are.

VIRGO (AUG 24 - SEP 23): Financial issues might be stressful today. Whether earning or spending money, it seems like something will trip you up. It may bet time think about balancing your needs and your obligations. This Week: Look around you and choose a path.

LIBRA (SEP 24 - OCT 23): It's important to get along with others because you value partnerships and close relationships. This is why today is challenging. No matter what you do, you might feel cut off from someone. This Week: Choose friends who expand your world.

SCORPIO (OCT 24 - NOV 23): It's a good thing Venus is in your sign smoothing your communication style and making it easier for you to be patient, because issues related to your job, your health and your pet are tough today. This Week: "Damn the torpedoes. Full speed ahead."

SAGITTARIUS (NOV 24 - DEC 22): Go gently today. Relations with friends, groups and even your kids are challenging. Take a step back and give the situation some breathing room. Don't force your ideas on anyone. This Week: Travel, learn, expand your world.

CAPRICORN (DEC 23 - JAN 20): Today is not the day to question parents, bosses, teachers, VIPs or the police. Give authority figures a wide berth to avoid conflict or confrontations. This Week: Take your economic freedom.

AQUARIUS (JAN 21 - FEB 19): You will need all your diplomatic skills to avoid arguments with siblings, relatives and neighbours today. Not only might someone disagree with you, they might want to block what it is you want to do. This Week: Choose friends who respect your individuality.

PISCES (FEB 20 - MAR 20): This is a poor day to reach a consensus about financial matters because people refuse to agree to anything. In fact, they'll be quick to tell you why you can't do something. Fortunately, your ability to work hard will save you. This Week: Create the job you want.
