

One year of dedication to create progressive MP rooted in heritage

Mohan Yadav

Madhya Pradesh, the heart of the nation, is famous for its glorious history and cultural traditions. From the dawn of creation until now, many signs of human civilization can be found in Madhya Pradesh. The state is rich in natural resources. It is our good fortune that the state and its people are benefiting from the "double engine" government. This has enabled the state to set many development records through innovation. Currently, the "Jan Kalyan Parv" is being celebrated in the state.

I am pleased to inform you that under the guidance of Prime Minister Narendra Modi, the vision of former Prime Minister the late Atal Bihari Vajpayee's "Nadi-Jodo Campaign" has been realised in MP. On December 17, the Prime Minister will lay the foundation stone for the Parvati-Kalisindh-Chambal Link Project and on December 25, the Ken-Betwa

Link Project. Recently, the Regional Industry Conclave was held to link the rural regions of MP to industrialization and modern products.

Through the "Garib Kalyan Mission," activities and programmes are aimed at improving the living standards of the underprivileged and contributing to the state's development. The "Yuva Shakti Mission" focuses on the overall development of youth, including their education, technical skills, and entrepreneurship. Nearly 250,000 youth will be recruited for government services. "Nari Shakti Mission" will focus on the economic, social, educational, and political empowerment of women. MP is the first state in the country to increase the reservation for women in government services from 33% to 35%. Through schemes like the "Laadli Behna Yojana," women will be supported economically.

My aim has always been to make the lives of the people easier, simpler and more convenient. Online services such as Cyber Tehsil for name transfer, partition, and e-registration have been implemented. On the occasion of the Jan Kalyan Parv, I urge the 8.5 crore people of Madhya Pradesh to come together and work towards the goal of building a glorious and prosperous India. Let us walk together and advance together.

ROAD ACCIDENT DEATH | State fourth in country after UP, Tamil Nadu and Maharashtra

MP reported 8% of total road fatalities in country: Gadkari

OUR Staff Reporter

BHOPAL

In 2022, Madhya Pradesh reported 13,000 deaths in road accidents which are 8% of the total fatalities reported across the country, road transport and highways minister Nitin Gadkari informed the Lok Sabha on Thursday.

As many as 1.78 lakh people are killed in road accidents annually in the country and 60 per cent of the victims are

in the age group of 18-34 years, said the minister during the Question Hour.

The minister said "One unfortunate fact is that of the 1.78 lakh people dying in road accidents, 60 per cent are in the age group of 18 to 34 years. Still there is no fear of law. Some do not wear helmets, some jump red signals," he said, adding that it was a "strange" situation.

Responding to supplementaries, the Union minister said while Uttar

Pradesh leads in deaths due to road accidents, in cities, Delhi tops the chart in such deaths.

In Uttar Pradesh, over 23,000 people or 13.7 % of the total deaths are due to road accidents followed by Tamil Nadu with over 18,000 10.6 % deaths. In Maharashtra, the figure stands at over 15,000 or 9% of the total deaths, followed by Madhya Pradesh with over 13,000, 8% deaths. He lamented that people do not fear the law and many

AIIMS still silent over 'unethical practice' complaint against doc

OUR Staff Reporter

BHOPAL

All India Institute of Medical Science (AIIMS) administration has not taken any action against a doctor of Ophthalmology department for engaging in an alleged "unethical practice" by running a clinical store and conducting FFA test there. The AIIMS administration had received a written complaint against Dr Samender Kumar of the department.

As per the complaint, Dr Kumar was running a clinical store in Saket Nagar in the name of his wife Dr Anjali and was also conducting FFA Test there. Medicines and contact lenses were provided through the clinical store. The complainant had demanded a departmental inquiry. A couple of years ago FFA facility was not available at AIIMS, which now has been made available, according to AIIMS officials.

A Fundus Fluorescein Angiography (FFA) is a diagnostic procedure that examines the blood circulation in the eye's retina and choroid.

Dr Samender Kumar talking to Free Press, the complaint was made against him a couple of years ago and since the complainant was not made by any

patient, the AIIMS administration did not take it seriously as generally patients always happen to be the main victim.

"So if any patient has any problem, they should complain and not any third person. Complaint was made when the FFA test was not available at AIIMS. Now, it is available. It is a tactic to malign my image," the doctor said.
