UT Chief Secy launches Class 11 prospectus for admission to govt schools

EXPRESS NEWS SERVICE
CHANDIGARH, MAY 20

RAJEEV VERMA, chief secretary, UT Chandigarh, on Tuesday launched the centralised admission prospectus for admission in Class 11 in 42 government schools. The step is an effort in streamlining the admission process for prospective students and this comprehensive guide offers a clear timeline of the admission process, ensuring that applicants are well-informed of all key dates and deadlines. The prospectus provides a breakdown of the fee structure and also articulates admission guidelines, eligibility criteria, necessary documentation, and step-by-step application instructions.

Following the tradition of transparency and efficiency this centralised counselling process will be managed by the National Institute of Electronics and Information Technology (NIELIT), ensuring no human intervention in the admission process.

Applicants can submit their applications, track their status, and receive admission notifications entirely online, minimising the need for physical visits. The department has urged all eligible students and parents to utilise this streamlined platform for a smooth admission experience.

Students can now register online, with the digital prospectus available on the official education portal from May 21.

Two separate registration forms are available for passouts of government schools in Chandigarh and for private schools or other boards Applicants can choose up to 20 schools and streams of their choice combinations.

The candidates with 90 per cent and above must fill in a minimum of 10 schools. Those students with 80-90 per cent have to compulsorily fill in 15 options, students with 60–80 per cent must fill in 20 options, and candidates below 60 per cent have to compulsorily fill in 25 options of choice and stream, failing which the registration form will not be accepted.

EXPRESS NEWS SERVICE
MOHALI, MAY 20

A RECENTLY inaugurated Urban Primary Health Centre at Sector 69 (UPHC-69) in Mohali was targeted by thieves late on Monday. According to Dr Sunita Lata, at around 8 am, when the staff opened the UPHC gates, they were shocked to find medical waste disposal bags scattered all over the place.

Further inspection revealed that a window near the staircase at the rear side of the building, adjacent to the waiting area, was broken. The main switch had also been turned off, she added.

According to police sources, the burglars entered the facility through the broken window and looted several sections including the doctor's room, nursing station, and washrooms. The stolen items include 20 taps, 3 stabilisers (2 from ACs and 1 from the RO system), washbasins, and plumbing pipes.

The police were immediately informed and reached the scene to collect evidence and begin the investigation. SMO Mohali also visited the site to assess the damages.

Notably, the facility had no night watchman for the past 15 days. Initially, the construction company had deployed its own security personnel, but once their contract ended, the guard was withdrawn.

As many as two oxygen concentrators that were inside the facility were not stolen, although there were signs that the thieves attempted to take them. These are extremely expensive and had they been stolen, it would have caused a major loss, a doctor said.

Dr Suman Lata has officially informed the SMO Mohali about the incident through a written report.
