Land row: FIR against Parth Pawar's partner

Suspended Revenue Official Also Named

Pune: A day after an offence was registered against three people including Digvijay Patil, business partner of Maharashtra deputy CM Ajit Pawar's son, in a Rs 300 crore land deal, another FIR was registered on Friday against Patil, Shital Tejwani and suspended revenue official Suryakant Yewale.

The fresh FIR for alleged misappropriation, cheating and forgery was registered at Khadak police station in Pune city on a complaint of a naib (deputy) tehsildar, said district collector Jitendra Dudi. This case was transferred to the Economic Offences Wing (EOW), a cop said. "On Thursday, the Inspector General of Registrar's office registered an offence against Patil, Tejwani and sub-registrar R B Taru for misappropriation and cheating (at Bawdhan police station). Another offence was registered today against tehsildar Yewale, Patil and Tejwani based on our complaint. During a preliminary inquiry, we found the suspended tehsildar's role in illegally allowing the transfer of land though it was owned by the government," collector Dudi said.

According to the FIR, Yewale was known for facilitating illegal transfer of government land to private individuals. "In this case, in order to take possession of the land (located in Pune's Mundhwa area), Patil submitted an application to Yewale....Yewale illegally issued notices to the occupants to vacate the land. This shows that he is habitual in misusing his powers," said the FIR. The same FIR also named six others involved in another controversial deal involving land in Bopodi near Pune. Though the records showed that this land belonged to the state agriculture department, Yewale allegedly passed an order which declared five private individuals having ownership rights over it, the FIR stated. On Thursday, a Rs 300 crore deal for the sale of 40 acres of government land in Mundhwa to Amadea Enterprises LLP – in which Parth is a partner – came under the scanner, as it was alleged that the land could not have been sold without the govt's permission. Land deal cancelled, Parth did not know it was govt property: Ajit Pawar

Mumbai: Maharashtra Deputy CM Ajit Pawar on Friday said his son Parth and his business partner were not aware that the land in Pune which their company purchased belonged to the government, and the controversial transaction has now been cancelled. A committee appointed by the govt to probe the Rs 300 crore deal will submit its report within a month, he told reporters here, soon after meeting CM Devendra Fadnavis amid the raging controversy. The registration of documents related to the deal was cancelled, and affidavit to this effect were submitted to the authorities, the NCP chief said, adding that not a rupee had changed hands in the deal. AG apologises to apex court over pleas for adjournment

Dhananjay.Mahapatra

New Delhi: Attorney general R Venkataramani on Friday profusely apologised to Supreme Court following CJI B R Gavai deploring the Centre's plea for referring to a five-judge bench midway through hearing on challenges to the validity of the Tribunal Reforms Act and two days later excoriating request for adjourning a scheduled hearing of the case.

Taking time out from an international arbitration, Venkataramani appeared before a bench of the CJI and Justice K Vinod Chandran through video conference and said, "I am tendering a volley of apologies for inconveniencing the court. I will appear before the bench in person on Monday and present my submissions on the validity of the Tribunal Reforms Act."

In what appeared as a conciliatory approach, the AG said, "I will explain why the govt has taken a particular stand on the issue. However, the concerns raised by the petitioners who have challenged the validity of certain provisions can be taken into consideration and if possible, ironing out of creases can be done. The SC can tell us the creases that need to be ironed out."

The bench said on Thursday itself it had told additional solicitor general Aishwarya Bhati that it would accommodate attorney general's request for absence on Friday and that he could present his arguments on Monday.

No one blames pilot for AI crash: SC

Dhannajay.Mahapatra
@timesofindia.com

New Delhi: Supreme Court on Friday told the nonagenarian father of the commander of ill-fated Air India flight, which crashed at Ahmedabad killing all aboard except one passenger, that the interim report did not put blame on pilot's error, a perception wrongly created by "nasty and motivated" reports in Wall Street Journal and foreign media.

When the counsel for the pilot's father said he wanted a fair and impartial probe into the June 12 air crash, a bench of CJI-designate Surya Kant and Justice Joymalya Bagchi said, "If you want to challenge the ongoing probe, you should challenge the Rules which permitted the constitution of the committee that is inquiring into the accident. You have not done that."

File photo of the Air India plane wreckage in Ahmedabad

The bench said, "The interim report made no insinuation against the pilot. It just reproduces the conversation recorded in the cockpit voice recorder which reveals that one pilot asking the other whether he switched off the fuel supply and the other is denying it. The interim report does not apportion blame on the pilot. So, where is the cause of action for this petition?" Senior advocate G Sankaranarayanan said there was a report in Wall Street Journal quoting Indian authorities and claiming that the crash was due to pilot error which has caused immense pain and agony to the father. The bench said, "We are not bothered about what Wall Street Journal or foreign media reported."

Sankaranarayanan said the father is bothered by it. The bench said, "Then file a petition against Wall Street Journal and other foreign media for insinuating against the pilot. These kinds of nasty and motivated reports in foreign media are aimed at showing India in a bad light."

The counsel then went on to describe how the inquiry officials visited his client's house and kept asking about the marital life of the pilot and were insinuating that because of the domestic issues he could have committed suicide, which is far from truth.

The bench said, "No Indian believes or talks about pilot error or mistake as a cause of the June 12 crash. If you are aggrieved by the foreign media reports, then take appropriate remedial measures before the forum concerned, not a writ petition before the SC."

Clandestine nuclear activities in keeping with Pak's history: India

TIMES NEWS NETWORK

MEA spokesperson Jaiswal

New Delhi: Clandestine and illegal nuclear activities are in keeping with Pakistan's history, said the Indian govt on Friday, days after US President Donald Trump named Pakistan as one of the countries carrying out nuclear tests. Responding to Trump's remarks, India's foreign ministry said Pakistan's illegal activities are centred around decades of smuggling, export control violations, secret partnerships, AQ Khan network and further proliferation.

"India has always drawn the attention of the international community to these aspects of Pakistan's record. In this backdrop, we have taken note of President Trump's comment about Pakistan's nuclear testing," said spokesperson Randhir Jaiswal.

In an interview with CBS News earlier this week, the US president named Russia, China, North Korea and Pakistan as countries still testing nuclear weapons. "Russia's testing, and China's testing, but they don't talk about it. You know, we're an open society. We're different. We talk about it...we are gonna test, because they test and others test. And certainly, North Korea's been testing. Pakistan's been testing," Trump had said.

In his comments, Trump strongly justified his decision to restart the testing of nuclear weapons saying it was necessary to ensure reliability of the weapons. The US President's comments came ahead of his meeting with his Chinese counterpart Xi Jinping.

'India stopped buying Russian oil'

▶ From P 1

When asked about Trump's visit to India, MEA spokesperson Randhir Jaiswal in New Delhi declined to comment on the issue. "I do not have anything on this to share. I will let you know when I have," Jaiswal said.

Meanwhile, President Trump once again claimed that India has stopped buying from Russia. "It's great, going good. He (PM Modi) stopped... Largely he stopped buying oil from Russia," Trump said in response to a question on how talks with Modi and trade discussions with India are progressing. Trump imposed 25 per cent reciprocal tariffs on India and an additional 25 per cent levies for Delhi's purchases of Russian oil, bringing the total duties imposed on India to 50 per cent. India had described the US action as "unfair, unjustified and unreasonable" while maintaining that its energy policy is guided by its own national interest. In his remarks before the press, Trump also reiterated his claim that he stopped the war between India and Pakistan in May using trade. "Of the eight wars I ended, I would say five or six were ended because of tariffs. I'll give you an example. If you take a look at India and Pakistan, they started to fight, they are two nuclear nations.... They were shooting each other. Eight planes were shot down. It was seven. Now it is eight, because the one that was sort of shot down is now abandoned. Eight planes were shot down. PTI

'Stray dogs picked up will not return to same location'

▶ From P 1

Stray dogs so picked up shall not be released back to the same location from which they were picked up. We have consciously directed the non-release of such stray dogs to the same location from which they were picked up, as permitting the same would frustrate the very effect of the directions issued to liberate such institutional areas from the presence of stray dogs," it said.

No sooner had the bench read out the operating part of its order in open court, animal activists and dog lovers urged it not to sign the judgment and requested it to grant them a hearing. However, the bench turned down the request.

It directed that the management or administrator of such institutions shall designate a nodal officer for the upkeep and cleanliness of premises, and ensuring that stray dogs do not enter or inhabit the campus. "The recurrence of such incidents, particularly within institutional spaces meant for learning, healing and recreation, reflects not only administrative apathy but also a systemic failure to secure these premises from preventable hazards," the bench said.

Ex-min Baba Siddique's widow moves HC for SIT probe into his murder

Mumbai: The widow of former Maharashtra minister **Baba Siddique**, shot dead in Oct last year, has moved Bombay High Court seeking setting up of a Special Investigation Team (SIT) to probe the case claiming police has failed to bring the real culprits to book.

Siddique was shot dead by three assailants outside his son Zeeshan's office in Mumbai's Bandra (East) area on the night of October 12, 2024. Shehzeen Siddique, in her plea filed through advocate Trivankumar Karnani, said the police has intentionally avoided to arrest the real culprits in the case and has claimed the killing was ordered by Anmol Bishnoi, brother of gangster Lawrence Bishnoi. The plea is likely to be heard by HC next week. Shehzeen Siddique in her plea alleged she has a strong suspicion about the involvement of the builder lobby and a political leader behind her husband's death. "Siddique (Baba) always had the interest of slumdwellers and hence he was considered as a hurdle by several developers and builders in the area. This angle was never probed by the police," the plea alleged. The suspected offenders have connections to the present ruling state government and, hence, the probe ought to be carried out by an independent investigating agency, the petition said. PTI

SC issues notice to Shami on wife's plea for higher maintenance

New Delhi: The Supreme Court issued a notice to cricketer Mohammad Shami on a plea filed by his estranged wife, seeking enhancement of the interim maintenance granted to her and their minor daughter.

A bench comprising Justices Manoj Misra and Ujjal Bhuyan sought Shami's response on his wife's plea challenging two orders passed on July 1 and August 25 by the Calcutta HC. The high court has enhanced the interim maintenance payable by Shami to Rs 1.5 lakh per month for his spouse and Rs 2.5 lakh per month for their daughter, while allowing the cricketer to clear the arrears in eight monthly instalments. In her plea before SC, Shami's wife has sought a monthly maintenance of Rs 7 lakh for herself and Rs 3 lakh for their daughter. PTI
