Big cat's terror continues in 3 EG constituencies

Silent thermal drones deployed to ensure safety of both the public and the tiger

EXPRESS NEWS SERVICE
@ Rajamahendravaram

A Royal Bengal tiger continues to spread fear in the rural areas of Rajamundry, with no immediate end in sight to the threat posed to villagers. Thursday marked the sixth day since the tiger reportedly entered the district by swimming across the River Godavari, triggering widespread panic.

On Thursday, the tiger killed a cow at Punyakshetram, sucking its blood. In another attack, it killed three calves in the Nandanavanam area between G Yerrampalem and Bhupalapatnam villages. Repeated incidents of livestock killings have gripped the region with fear.

The tiger's movement through horticulture gardens has brought farm activities to a halt. Nearly 100 forest personnel, special wildlife teams, and about 50 police personnel are involved in the operation. Officials have sounded a high alert in the rural areas of Rajamundry, Anaparti, and Rajanagaram Assembly constituencies, warning that the tiger could enter any locality at night.

East Godavari District Collector Keerthi Chekuri and Superintendent of Police (SP) D Narasimha Kishore monitored the ongoing search.

On receiving information, State Principal Chief Conservator of Forests PV Chalapathi Rao and Conservator of Forests BNN Murthy led forest teams to the affected villages. Officials collected pugmarks and launched a search operation.

Special expert teams from Pune, Delhi, and Visakhapatnam have joined the operation to trace the tiger.

JSP Rajanagaram MLA Battula Balaramakrishna said authorities are acting strictly in accordance with National Tiger Conservation Authority guidelines, as the tiger is the national animal. Authorities have deployed silent thermal drone cameras to ensure public safety and its protection.

AP ranks 7th in uninsured vehicles

PHANINDRA PAPASANI
@ Vijayawada

ANDHRA Pradesh has emerged as the seventh-highest State in the country in terms of vehicles plying without valid insurance, raising serious concerns over road safety and enforcement. As many as 77,10,411 vehicles are currently uninsured out of nearly 1.8 crore registered vehicles in the State, according to official data.

The information was disclosed by the Ministry of Road Transport and Highways (MoRTH) in a written reply to a question raised by Raj Kumar Chabbewal, MP, in Lok Sabha.

The data highlights widespread non-compliance with mandatory motor insurance norms across several states.

According to the data released, Uttar Pradesh tops the list with over 2.1 crore uninsured vehicles, followed by Maharashtra (1.6 crore), Tamil Nadu (1.27 crore) and Gujarat (1.03 crore), indicating that the problem is nationwide.

The figures present a grim picture of enforcement by the transport and police departments, pointing to systemic lapses in monitoring compliance with the Motor Vehicles Act. Although mandatory, many vehicle owners continue to operate without policies.

Officials said insurance is usually taken at the time of registration, but many fail to renew it after expiry, especially after the initial one-year or multi-year coverage period. Tracking such lapses and enforcing renewals has become a major challenge for authorities due to the sheer volume of vehicles on the road.

Two-wheelers account for the highest number of uninsured vehicles, mainly due to affordability issues, lack of awareness and weak enforcement. As they also form a major share of road accidents, the absence of insurance increases financial risks for riders and victims.

Under the Motor Vehicles Act, driving without insurance is punishable. Uninsured vehicles endanger accident victims, deny compensation, and undermine compulsory third-party insurance meant to ensure financial accountability.

"We are suggesting to link insurance validity with the vehicle fitness certificates, or to use the traffic challan systems to plug loopholes. Of the total 1.8 crore vehicles, 18 lakh vehicles have all validities such as fitness certificate, insurance and pollution control certificate.

> We are suggesting to link insurance validity with the vehicle fitness certificates, or to use the traffic challan systems to plug loopholes
>
> A senior official

EXPRESS ILLUSTRATION

Also, we have identified another 98 lakh vehicles to have expired any of these certificates recently and 70 lakh vehicles expired long back. Instructions were given to all district transport officers to carry out drives to update insurance and other periodical certificates. Efforts are on to make active and non-compliant and temporary archived vehicles to active compliant vehicles," a senior official said.

Bomb threat to Andhra varsity turns out to be a hoax

EXPRESS NEWS SERVICE
@ Visakhapatnam

A bomb threat email received by Andhra University (AU) on Thursday triggered a major security operation, with city police, bomb disposal squads, and sniffer dog teams conducting searches across the campus before confirming it as a hoax.

According to a press release from AU, unidentified persons sent a threatening email to the principals of AU Engineering College and the Women's Engineering College, claiming that a bomb had been planted on the campus.

After receiving an alert from university officials, III Town police officers, the Cybercrime Department, the dog squad, and the bomb disposal squad conducted search operations at both colleges.

Officials said teams found no suspicious objects or explosives during the inspection. The university authorities requested the Cybercrime Department to investigate the incident. III Town CI said police searched every corner of the campus to ensure the safety. "After searching the entire university premises, we found nothing suspicious, confirming the threat to be a hoax," he said.

Visakhapatnam CP Sankha Brata Bagchi said police received information from the AU registrar's office and rushed to the spot with bomb disposal teams and sniffer dogs. "A case has been registered, and police are working to trace the origin of the email," he said.

Free FCM for pregnant women

EXPRESS NEWS SERVICE
@ Vijayawada

HEALTH Minister Y Satya Kumar Yadav announced that pregnant women with haemoglobin below 10 will soon receive free Ferric Carboxymaltose (FCM) injections.

Earlier limited to new mothers, the scheme is being expanded to expectant women, with free transport via Thalli-Bidda Express. Each woman will need only one or two doses, unlike iron sucrose requiring multiple visits. Last year, 53,500 new mothers benefited. This year, 18,950 pregnant women are approved. Doses have been allocated to hospitals, and guidelines will be issued soon.

US & Russia nod to keep military dialogue

KYIV

THE United States and Russia agreed Thursday to reestablish high-level, military-to-military dialogue following a meeting between senior Russian and American military officials in Abu Dhabi, the US military in Europe said.

The agreement was reached following meetings between US General Alexus Grynkewich, who is the commander in Europe of both US and NATO forces, and senior Russian and Ukrainian military officials, the US European Command said.

The channel "will provide a consistent military-to-military contact as the parties continue to work towards a lasting peace," the statement said.

Military communication was suspended in 2021, as relations between Moscow and Washington grew increasingly strained ahead of the full-scale Russian invasion of Ukraine in February 2022.

Grynkewich was in the UAE capital as US, Russian and Ukrainian officials held a second day of talks on ending the Ukraine war, even as Moscow stepped up attacks on Ukraine's power grid. Russia appears to be trying to cut electricity to civilians and sap public support, while fighting continues along the roughly 1,000-km front line in the east and south.

The military-to-military hotline's resumption now aims to further help ease Ukraine war tensions and prevent dangerous Russian-US military collisions. The US said it downed an MQ-9 Reaper over the Black Sea after Russian jets dumped fuel on it and hit its propeller. *AP*

Two oil tankers seized for 'smuggling fuel'

TEHRAN

IRAN's Revolutionary Guards have seized two oil tankers with their foreign crews in Gulf waters for "smuggling fuel," the Tasnim news agency reported on Thursday.

It was not immediately clear what flags the tankers were carrying nor the nationalities of the crew. The seizures took place amid heightened tension after Washington dispatched a naval group to the region following Tehran's deadly response to anti-government protests.

"More than one million litres of smuggled fuel were found on board of the two vessels," Tasnim reported, and a total of "15 foreign crew members were referred to the judiciary." The Guards captured the vessels near Iran's Farsi island in the Gulf, the agency said.

The tankers have been "engaged in smuggling operations for months and were identified and intercepted following surveillance, interception and intelligence operations" by naval forces of the Islamic Revolutionary Guard Corps, it added. *AFP*
